

The present document includes the following lists:

List of SELECTED applications

Applications selected for a scholarship at the specified Hosting University. The applicant receives an email notification including a scholarship offer that must be signed to confirm acceptance.

List of RESERVE applications

In the following months, but no later than the end of 2014, applicants in the reserve list may be selected and receive a scholarship offer in case a selected candidate will withdraw from the program.

The selection of reserves is more frequent in the first month after the publication of the selection outcomes. However it is possible for reserves to be selected till the end of 2014.

ALL CANDIDATES WHO ARE NOT LISTED IN THE ABOVE LISTS ARE TO BE CONSIDERED AS NOT SELECTED.

Privacy

For privacy and data protection reasons, these lists do not include the applicant's name but only the application's identification number (UID). Your application's UID is found in the email messages that you have received when applying.

Candidates applying to more than one Hosting University

- 1) applicants selected for one Hosting University cannot be selected for other Universities they have applied to;
- 2) the outcome of the application to each Hosting University can be different, depending on its completeness and quality in relation to the general selection criteria and the Hosting University's specific requirements as described in their academic offer.

Appeals

Selections have been performed according to the criteria described in the Call for Application.

You may appeal to the Consortium's decision by writing to the Consortium (emwelcome@polito.it) within 7 days from the date of your personal notification email. The appeal must be documented with well justified reasons. The Consortium will reply within 40 days of your appeal.
